FEATURES

BCW POWERCHAIR

The BCW Powerchair from Wheelchairs of Kansas is a traditional powerchair for bariatric individuals. Two 4-pole motors and a 70 amp module give superior performance to this durable, heavy-duty powerchair.

Five year warranty on frame.
One year all other components
(excluding batteries).

* Shown with optional elevating legrests, XL calf pads and large foot plates.

AVAILABLE OPTIONS

Custom seating available • Power recline available with recline of 45°
Removable, full-length, padded armrests • More options available
