FEATURES

BARI COMMODE

The **Bari-Commode** is a drop-arm bedside commode designed for bariatric individuals. The heavy-duty stainless steel construction has a rigid frame. Wheelchairs of Kansas offers the 24" commode with adjustable height legs. The 36" wide commode only comes with fixed height legs. It is designed for the comfort and support of a bariatric individual in a 24" or 36" wide seat.

Five year warranty on stainless steel frame.
Six months all other components.
