DIAMOND HOMECARE

The Wheelchairs of Kansas **Diamond Homecare Bed** is available in semi-electric or 8 function, full electric with Trendelenburg and Reverse Trendelenburg. The frame is constructed of durable, heavy-duty steel, with the deck made up of a thermoformed plastic. This bed is offered in two widths and includes one set of half-rails and a standard foam mattress.

Five year warranty on structure. One year on mattress, electrical, parts and components, (excluding headboards & footboards).

AVAILABLE OPTIONS

IV pole • Half-rails (chrome plated)
Full-frame trapeze • Hand control holder
