FEATURES

MIGHTY REST REHAB

The **Mighty Rest Bed** from Wheelchairs of Kansas offers superior performance for bariatric individuals weighing up to 1,000 lbs. This bed is available in semi and full electric models with multiple functions for the head and foot sections as well as bed height adjustability. It comes in four width sizes and an extra-tall length. Included with the Mighty Rest Bed is one set of half-rails and standard foam mattress.

Five year warranty on structure. One year on mattress, electrical, parts and components (excluding headboards & footboards).
